Materials

- Paper
- Felt
- Colorful String/Thread & Needle
- Glue Stick/Tape
- Scissors
- Decorations (Buttons, Beads, Paper Cutouts, etc)

Basic Instructions

Step 1 - Using guide on next page, cut out half circle with flap

Step 2 - Cut Holiday Paper & Felt using half circle that you cut but without flap

Step 3 - Use glue stick to hold down felt onto plain paper while you use needle & thread to stitch around the border to secure

Step 4 - Sew decorations to the felt side of your tree using colored string/thread

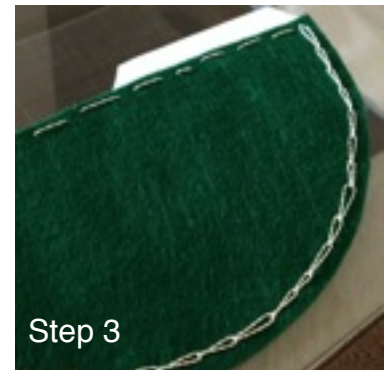

Step 5 - Turn tree over and secure hanging loop with tape in the middle of the flat side next to where the flap starts (see photo)

Step 6 - Use glue stick to secure holiday paper over your hanging loop and to cover the back side of your decorating

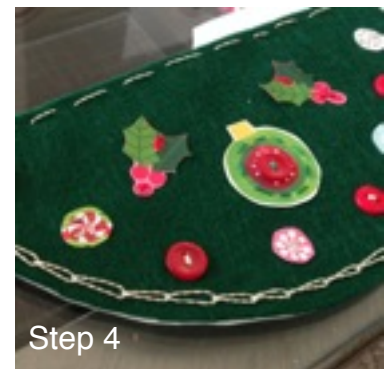

Step 7 - Turn tree back to front side facing, place piece of double sided tape onto exposed flap, wrap tree around and join flap to the other side

Step 8 - Using thread and/or button, secure corner & seam together
